Mr. Hal Barker

Dear Mr. Barker,

Thank you for your letter dated November 7 and the endorsement of H.J. Res. 236 by the Hon. Tim Wirth. That and the letter published in the Denver Post is excellent work and most highly appreciated.

Your request concerning a more direct involvement with our committee is very gratifying. We consider you one of our most valuable collaborators in Colorado. Please accept the position of President of our Sponsoring Committee in Colorado. It will be up to you to organize this committee and co-ordinate your activities in conjunction to the local DAV and VFW posts. What we need right now is a fund raising event. The enclosed photocopies of the activity of our Florida Sponsoring Committee president might serve you as an example.

Beginning of next week we will send you the updated list of the Congressional co-sponsors of H.J.Res.236. The one enclosed is incomplete.

With the expression of our appreciation for your efforts on behalf of the NCKWM, we remain,

sincerely yours,

Myron E. McKee
Executive Director
