

VETERANS OF FOREIGN WARS OF THE UNITED STATES

OFFICE OF THE DIRECTOR

May 14, 1985

Mr. Harold Reed Barker  
P.O. Box 1492  
Boulder, CO 80306

Dear Mr. Barker:

Thank you very much for your letter of May 6 and the enclosed materials.

Since your visit in April we have issued a press release concerning the Korean War Memorial that will be published in each of the state VFW newspapers in the near future. We are also planning a feature story in a forthcoming issue of VFW Magazine and we will be sending out a nationwide news release in the future asking all Americans to write to Members of Congress asking for their support for a memorial.

Additionally we have written to each of our state commanders and advised them of the pitfalls of the private fundraising groups. We are really pushing donations going directly to the American Battle Monuments Commission.

I have enclosed a copy of the news release that went to our state publications.

Sincerely,

  
Ronald A. Duchin, Director  
Public Affairs
